

STATEMENT OF PURPOSE

RS22531

This bill prevents use of exploding targets on public lands during closed fire season for the protection of forest and range lands due to wildfire risk. The bill allows the use of exploding targets on private lands during fire restrictions with the approval of the local fire official; and provides for damages specified in 38-107 violations. The bill allows for the use of exploding targets on approved shooting ranges.

FISCAL NOTE

There is no impact to the general fund or local government.
